## Sita swayamvar

**Valmiki:** Gather round my children, and I, the great sage Valmiki, will tell you a tale. It is a tale of bravery, courage and adventure; an epic filled with intriguing characters and bloody battles. It is a story of goodness, balance, and righteousness. It is the story of Rama. It starts in Ayodhya, the jewel among cities. Within this city nobody was hungry, nobody was poor, every woman was faithful to her husband, everybody knew their role in society, everybody was learned in the Vedas, and everybody was happy. And so, at this point, the heroic adventures of Rama truly begin.

**Background voice:** *(as the scene transitions from the forest, after Tadka's death, to Mithila, where Sita Sawayamvar is in progress): after this Valmiki took Ram and Lakshman to Mithila where King Janak had organized a sawaymvar for his beloved daughter Sita. The challenge of Sawayamar was to string Lord Shiva Bow Sunab. A lot of great warriors and kings had tried their luck, but couldn't budge the Bow.*

**Sawaymvar Announcer (with drum beats):** The great king of Himpur, Rohit Kumar, will now attempt to String the Sunab !!

**Announcer (again with drum beats):** The great king of Himpur, Rohit Kumar, fails in his attempts to String the Sunab !!

**King (Janak):** Are there no brave men left in India who can lift and string this Bow? My daughter, Sita, use to play with this Bow as a child.

**King (Janak):** I, Janak, the King of Mithila, with extreme sadness, announce the end of Sawayamvar of my Daughter Sita, as there are no brave man left in the world capable of my Daughters hand.

**Lakshman:** wait! Wait! The world is not bereft of brave men. Not as long as Dasrath's sons are alive. My brother Ram was the one who killed the wicked demon Tadka.

**Anouncer (in the background):** Congratulations, Congratulations! Ram, prince of Ayodhya, wins the Syavayamar of Sita, the princess of Mithila

## Kaikai banishes Ram

**Background voice :** *With union of Ram and Sit the whole city of Ayodhya was filled with Joy. Lakshman, Bharat and Shatrughan, were married to Sita sisters, Urmilla, Mandvi aur Shudkirti. Whole city of Ayodhya was celebrating these unions. The people of Ayodhya began to look at Ram as there next King. King Dashrath was getting old as well*

**Dhashrath:** Kaikai, I was thinking of announcing the Kingdom of Ram, so that I can relieve myself of the duties of Kingdom. I'm getting old as you know.

**Kaikaiyee:** It's a good thought my King. The timing is right as well. And Ram is most capable for these responsibilities.

**Dhashrath:** You are right. I should make the announcement. But both Bharat and Shatrughan are visiting their grandparents.

**Kaikaiyee:** You shouldn't delay my King. I'm sure Bharat and Shatrughan will have no objections. They love there elder brother. And they know that he is the most capable of them all.

**Dhashrath (with excitement):** I'll make the announcement today itself.

**Background voice :** King Dasarath announced the installation of Rama and the news cheered all the citizens of Ayodhya immensely. But Manthra, the maidservant of Kaikeyi was immediately seized with anger and she rushed to her queen lamenting.

**Manthra:** My dear Queen. Can't you see how deceitfully your husband has acted? He has deliberately sent Bharat away so that he can install his favorite son Rama on the throne in Bharat's absence.

**Kaikaiyee:** That's not true.

**Manthra:** Yes! It is true; and that's not all. Once Rama becomes King you will be compelled to act as Kaushalya's maidservant and your Bharat will be forced to be Rama's slave.

**Kaikaiyee:** Manthra! Manthra! Manthra! Please be quiet, why are you bent upon poisoning my mind in this way.

**Manthra:** Wake up Queen, before it is too late. Just think about it! Dasarath didn't even allow you to have the faintest idea about his wicked plan.

**Kaikaiyee:** Perhaps, you are right Manthra! But, but is there anything we can do now?

**Manthra:** Yes! Between today and tomorrow there is one full night. Listen carefully my dear Queen. Do you not remember, many years ago, when Maharaja Dhasarath was engaged in a fierce battle and fell unconscious. You then removed him from the battlefield and saved his life. Out of deep gratitude Maharaj offered you two boons. However you said you would ask for them sometime in the future.....Now, Now is the time to ask for those boons: Bharat to be installed as the king and Rama to be banished to the forest for 14 years.

**Background voice :** So kaikeyi goes off to the sulking chamber casting off her ornaments and royal dress and lays down on the floor awaiting King Dasarath who unaware walks in cheerfully looking for her. Finding her despondent and angry takes a vow in front of the sun and the moon and all his forefathers of the Raghu dynasty that he would fulfill all her desires.

**Kaikaiyee:** For my first boon, make Bharath the heir apparent and secondly may Rama be exiled into the forest for 14 years.

**Dasharath:** Is this what you wish, or are my ears deceiving me!

**Kaikaiyee:** This is My Wish. Ram's exile.

**Dasharath:** O Kaikeyi, Bharath May be the King but Not Ram's Exile!

**Kaikaiyee:** Oh King, Why do you take your words back? You promised to have given me anything I wish, what has happened now!

**Dasharath:** Never!!! I will not be able to sustain my life without the noble Rama.

**Background voice :** Maharaj Dasarath lay there all night trying to reason with Kaikeyi but it was utterly futile. The next morning Rama was summoned to Maharani Kaikeyi's palace

**Ram:** What is it my dear father? What is wrong Mother Kaikeyi? Why does father not speak to me? I would unflinchingly carry out my father's wishes. Please tell me mother, what my father wants.

**Kaikaiyee:** Formerly, your father had offered me two boons. Firstly, I have asked your father to coronate your brother Bharat as heir apparent to the throne. Secondly, I have asked that you be exiled to the forest for 14 years to live as an ascetic.....

**Ram:** Is that all! I will give my life to uphold the dignity of my father. It is my foremost duty.

**Dasharath:** Ram.....Ram..... Please don't go!

**Sita:** My Lord, if you are going to the forest, then I am coming with you. A wife shares the fortune or the misfortune of the husband. If you do not take me with you then I will end my life.

**Laxman:** Oh! Brother, allow me to accompany you. Just as a shadow cannot be separated from its object, Laxman can never be separated from Ram.

**Background voice :** Sri Ram left behind the royal opulence of Ayodhya and wandered barefoot in the forests along with his chaste wife Sita and devoted brother Laxman. In the mean time at Ayodhya, Maharaj Dasarath, unable to tolerate the pang of separation from his beloved son Ram, gave up his life and returned to the spiritual abode. Being bereft of their King, Bharat and Shatrughna were summoned to Ayodhya immediately. Bharat upon learning the truth disowns Kaikaiyee and resolves to bring Ram back. As news of Bharat's desire spread, citizens and ministers and the Royal family followed Bharat to the Chitrakoot mountain . But Ram is firm and guru Vasistha advises Bharat to carry out the wishes of his beloved Rama and rule Ayodhya. Bharat returns and rules over the kingdom keeping Rama's sandals on the throne. Meanwhile the Rishis at the Dandakaranya forest relate to Ram the terror caused by Rakshasas under the leadership of Khara and Dushan. Rishi Agastya directs them to Panchavati.

## Surpanakha tries to woo Ram and Sita haran

**Background voice :** And so Ram and his faithful family members walked through the beautiful forest called Dandaka. They found a pleasant spot that had lots of game by a stream. They built a hut and lived happily for ten peaceful, happy years. One day Supernaka, the terrible demoness, was traveling through the forest when she saw Ram.

**Shurpanakha:** (Attracted by Ram's beauty) I am Shurpanakha, sister of the unconquerable Ravana. I devour ascetics but I want you to be my husband.

**Ram:** I am already married but here is my younger brother, handsome qualified and unmarried.

**Shurpanakha:** I am certainly worthy of becoming your wife, o handsome one.

**Laxman:** Why do you want to be a maid servant? I am always dependent on my older brother and as my wife you will be Sita's servant. You should seek only Rama as your husband.

**Shurpanakh:** It is all because of this Sita that the two of you are playing games with me. I will eat her now and then we will be free to roam together.

**Ram:** Laxman, quick, take your sword and quickly disable this ugly being, do not kill her as she is a woman.

This terrible demon woman, so terrible to behold, ran to her brother Ravana, the King of Lanka. When he had heard her plight he grew outraged, and sent an army of 14000 rakshasas to destroy Rama. Furthermore, Supernaka told Ravana of Sita's exquisite beauty and at once the king of the demons desired her to be his wife.

True to his wish, and following his desires instead of his brain, as all rakshasas will do, Ravana set out with his Uncle Marica to capture Sita. He had Marica change himself into a golden deer. As Ravana expected, the deer caught Sita's fancy and she asked Rama to capture it. Rama willingly obliged his wife, but not until giving firm instructions to Lakshmana to guard Sita. As Rama got closer to the deer, he saw that it was a demon, and right before Rama killed it, the deer uttered these words in Rama's voice, "Sita, help me!" When Lakshmana and Sita heard these words, Sita convinced Lakshmana to go help Rama. But first he drew a circle around the hut that would protect Sita and told her to stay within it. When Lakshmana was gone, Ravana turned himself into the likeness of an ascetic and begged from Sita. Because an ascetic cannot come into a woman's home Sita came out of the circle and Ravana quickly turned himself back into a demon, and carried her off.

## Ram Goes In Search

**Background voice :** Brothers meet Jatayu. Kabandh provides them directions to meet Sabri. Ram meets Hanuman. Ram says that Kabandh told him about Sugreev.

**Hanuman:** Sri Ram, if you can help him to get rid of Bali, then he will do anything for you. And if Lord Sri Ram agrees to help Sugreev then surely he can defeat Bali.

**Ram:** What Bali has done, nobody would do it to his younger brother. By helping Sugreev I am supporting the right person and promoting the justice. But why are you with Sugreev, when Bali is your king?

**Hanuman:** Sugreev is the truthful person, he thinks about all the citizens, and Bali is selfish. If Sugreev becomes king, it will be good for all monkey citizens.

**Ram:** Tomorrow is very important as Sugreev will challenge Bali for a fight. Let us go, Laxman must be waiting for us.

**Sugreev:** Lord Sri Ram, Bali is very powerful, he can break huge rocks with his fist. He can uproot big trees with his arms. How will you save me from his wrath?

**Ram:** Why do you doubt your capabilities?

**Sugreev:** I was just wondering

**Sugreev:** Hey coward Bali Come in front of me, don't hide. I am here to get justice

**Bali:** I shall teach you a lesson today. No one will save you from my wrath.

**Sugreev:** Lord Ram, What kind of friendship you promised to me? You could not save me. Luckily I managed to escape alive.

**Ram:** Dear Sugreev, you are my friend. Please understand my dilemma. I could not recognize you well. If I had killed you instead of Bali, that would have been unimaginable for me.

**Hanuman:** Lord Rama is right. We could not distinguish between both of you from a distance.

**Laxman:** Sugreev, I think you should challenge him again. This time we will have a different plan.

**Sugreev:** You know that I almost died today at the hands of Bali. I feel too scared to call him for another fight.

**Laxman (Laughing):** This time we won't make the mistake. This time you will put this garland around your neck so that we can easily recognize you.

**Sugreev:** Bali, I have come again, better prepared this time. Come out of your palace.

**Kishkindha citizens: "Jai Ho Sugreev ki"**

**Sugreev:** Every individual has to prove themselves by their good deeds. Even though Bali was my brother I killed him as nothing is above 'Dharma' and 'Karma'. Now I King Sugreev ask the entire Monkey army and citizens of Kishkindha if you are with me in support of Lord Ram in his fight against demon Ravan?

## Hanuman Find Sita

**Hanuman:** Okay, mother. Mother, I have not eat any thing from yesterday. If you allow me, I wish to eat some fruits from this vatika.

**Sita:** Please go ahead.

**Messenger of Ram:** “RakshashRaj” There is a monkey in Ashok Vatika who is destroying it.

**Ravan:** Please go and bring that bad boy alive in front of me.

**Ravan Sena:** Who are you and why you came to Lanka?

**Hanuman:** I am a minister of kishkinda king Sugreev and messenger of Dashrath son lord Ram. You have kidnapped his wife Sita and kept in your hostage forcefully. I request you to please release her and send back with respect else you have to face consequences of WAR!!!!

**Ravan:** You monkey!!!, threatening the king of Lanka. Servents kill this Monkey.

**Ravan’s Minister:** My lord, messengers shall not be killed. It is against the protocols. One can punish him with other punishments.

**Ravan:** Monkey loves their tails. Please burn his tail. It will be fun for the public.

**Group:** Janmbvant, Angad waiting for hanuman around a fire place. a big boomerang is seen in sky and it runs water and comes out Hanuman with buring tail. Hanuman comes out and starts talking with them.

**Neel:-** What happens dear Hanuman!!!

**Hanuman:** I found mother sita!!! I burnt Lanka as well.

**Ram:** Chudamani!!! Laxman!!! This is Sita’s Chudamani. How is my Sita?

**Hanumanji:** Devi Sita is fine. She is waiting for you day in day out. My lord, please do not delay for a second else after 2 months Ravan will kill Sitaji.

**Ram to Sena:** Dear friends. I am happy that you are here to help me but there will be hurdles and problems in my way.....

## Ram goes to Lanka

**Background voice:** After receiving this news Rama set out with his monkey army to attack Lanka. When they came to the mighty ocean the monkey army built a great bridge to Lanka. When they reached Lanka, both sides were ready for war.

**Ram:** Friends, I am very glad to see you here for me but to come shoulder to shoulder with me on my hunt of finding Sita, you, will have to face lot of difficulties. You will have to face a fearless powerful Ravan and his warriors. I am fighting for my self-respect for which you don't have to fight if you don't want to. Those who don't want to go in the war consider you as a free soul. And for those who are coming to fight, one thing I will promise you, **WE WILL WIN THIS WAR PERIOD.** We will kill all the ill minded demons.

**Minkey sena in the background roaring:** Jai Sia Ram JAI SIA RAM

**Background voice:** Ram reaches to ocean, ocean looks very aggravated

**Ram:** Now no power can stop me, the ocean himself will show me the way

**Ram (angry and holding his bow and arrow aimed at ocean):** Ocean, you are blind by the pride you have because you think you are huge. **YOU WILL NOT GIVE ME A WAY,** I will teach you a lesson by removing all the water from you.

**Ocean God:** I am sorry my lord, I was following Ravana's order. You all are welcome, I will allow your sena to cross me.

**Background voice:** And here in Lanka...

**Ravan: VIBHISHAN** you are on enemy side, hence I, a lord of Lanka, order you to be banished from Lanka. **GO AWAY** from my sight you are a shame to our family, **GO AWAY BEFORE I ORDER TO KILL YOU.**

**Background voice:** Across the ocean Ram's sena is building a bridge by throwing stones in the ocean while chanting Jai Sia Ram, Jai jai Sia Ram

**Vibhishan (come to see Ram):** Ram, my lord, I am here to stand with truth, I am here to stand with Dharma and I am here to stand with my lord Ram. Please allow me to serve you and be part of this war from the right side.

## Yuddha Kand

**Background voice:** The armies collided, monkeys and bears against the demons and hideous creatures. There were cries of pain, shouts, screams and the bloodcurdling laugh of the demons. The air was thick with arrows, and the ground was soaked with blood. In the midst of this terrible carnage, Rama searched for Ravan

**Angad:** O' Lord, despite my best entreaties, Ravan fails to understand the wisdom of peace. He desires war.

**Ram:** So be it. Ravan will face the might of our army if he does not heed our offer of peace. Neel will command the army to attack the northern gate commanded by Prahast, Angad will meet Mahapaarsava and Mahodara at the southern entrance, at the western entrance Hanuman will encounter the black magic of Indrajit and I and Lakshman will meet Ravan at the northern entrance.

**Ravan: (on hearing the conch):** How dare a wanderer attack Lanka after gathering an army of monkeys from the forest? I will teach him such a lesson that no one in the future shall even dare to look at Lanka.

**Mandodari:** Ram is a mighty warrior. Many of the vanaraas with him are incarnations of gods. Why don't you return Seetha?

**Ravan:** Queen Mandodari, do you see all the prosperity in this golden Lanka? All this is mine. I have gathered all this by my own might and valor. Seetha will be mine as well and I will not part with her. When I have

such a mighty army, nobody can destroy me. Tomorrow Kumbhkarn will go and attack the Ram and his army of monkeys. Soldiers, go and wake up Kumbhkarn.

**Kumbhkarn:** I need Ram's blood. I will destroy the whole monkey army

**Indrajit:** I shall attack Lakshman with the Brahmastra and end this war soon. Ram will not be able to continue the war without Lakshman.

**Ram (saying disconsolately):** Lakshman, how can I fight without you? How can you leave me and go towards mrutyulok? How will I face mother Sumitra?

**Jambvan:** Lord Ram, all hope is not lost. As per the physician Sushena that Hanuman has brought from Lanka, the sanjeevini herb can save Lakshman. But it has to be brought before sunrise to save Lakshman.

**Hanuman:** O'Lord, I can do this task. I can get the Sanjeevini herb from the Himalayas before sunrise. Be assured, Lakshman will live.

**Ram hugging Lakshman:** Lakshman, thank heavens that you are alive. Now I have renewed vigor to defeat Ravan.

**Vibheeshan:** Indrajit is performing a Nikumbhala sacrifice to become invincible. We need to destroy him before he gets too strong.

**Ram:** Lakshman, go with Hanuman and a few other warriors and fight Indrajit.

**Lakshman:** As you say, my Lord.

**Indrajit:** Shri Mata nikhumbalaya namah | Shri Mata nikhumbalaya namah | Shri Mata nikhumbalaya namah | |

**Lakshman:** Indrajit, you coward get up and fight. Your time has come.

**Indrajit:** Lakshman, I do not know how you escaped my astras before, but this time I will make certain that there are no mistakes

**Vibheeshan:** Lakshman, it is getting darker and Indrajit will continue to get stronger. Finish him off before it is too late.

**Lakshman:** You are right, Vibheeshan. I will use the Indra-astra now.

**Lakshman (stringing an arrow):** Jai ShriRam

**Ravan:** Indrajit, your death is not in vain. As your father, I stand having lost all my sons, brothers and mighty commanders Prahast, Akampan and Viroopaksh. I shall avenge all your deaths by killing Ram and Lakshman. No one has been able to defeat me, Ravan. I have conquered the nine planets and the three worlds. There is nobody in the world who is my equal, let alone Ram.

**Ram to his army:** It is time to vanquish Ravan, this is the final battle.

**Ravan:** Come on, you little bug-like creatures. I will squash you off easily. Where is your leader, Ram? Is he afraid to fight me?

**Ram:** Ravan, your end is near. You can still return Sita and save yourself and rest of your army.

**Ravan:** Ram, with Brahma's boons, I am invincible. No one can defeat me.

**Vibheeshan:** Shri Ram, the secret to Ravan's life lies within his navel. Send your Brahmastra and aim towards his navel.

**Ram:** Om Brahmdevaya namah
